More Money Than God Hedge
In her book, Dr. Nelson uses a similar example of Procter & Gamble also paying back company success to employees through extra paid days off. "It ate a little bit of their bottom line, a little ...

Make More Money By Making Your Employees Happy - Forbes
A hedge fund is an investment fund that pools capital from accredited investors or institutional investors and invests in a variety of assets, often with complex portfolio-construction and risk management techniques. It is administered by a professional investment management firm, and often structured as a limited partnership, limited liability company, or similar vehicle.
